SUPERHEROES WANTED

The City of Dayton is a fast-growing organization committed to making Dayton a wholesome, business friendly, and dynamic community.

With over 100 employees, the City of Dayton Government offers a full range of services to residents and beyond. These services include water, sewer, waste collection, public safety, streets, parks and more.

In order to fill that mission, we're looking to hire superheroes. You don't need traditional super powers like being able to leap tall buildings, but you do need creativity, innovation, and a talent for teamwork.

If collaboration, serving the community and thinking outside of the box are your super-powers, we want you!

BENEFITS OF PUBLIC SERVICE

There are many benefits to a career in public service. Our employees are able to give back directly to the community they live in, making a meaningful change and impact on their neighbors. With a career in public service, you can play a role in addressing pressing issues like housing and water quality. There are jobs for many interests and skill sets. We also offer competitive pay and a host of other benefits, including...

HEALTH & WELLNESS

We offer competitive health, dental, vision and life insurance, to help you and your family stay strong.

LOOKING OUT FOR THE FUTURE

A superhero saves (for) the future. We offer excellent retirement programs through the Texas Municipal Retirement System and the International City Managers' Association.

TIME OFF TO RECHARGE

Even superheroes need to recharge. The City of Dayton offers employees 14.5 paid holiday days per year, including a floating holiday on or after their birthday.

Vacation? Take a break from your city-saving duties with two-weeks of paid vacation per year. The longer you stay with us, the more vacation time you can accrue. Under the weather? Whether it's the flu or kryptonite, you'll be ok, with paid sick leave.

THINK YOU'RE READY TO GET YOUR CAPE? HERE'S WHAT YOU NEED TO DO.

Visit www.daytontx.org/jobs and check out what openings are currently available. You can apply directly online. It's that easy.

Don't see anything that suits you? Check back soon, because employment opportunities at the city are constantly evolving as we grow!

WHAT HAPPENS NEXT?

Applications are reviewed and then candidates are selected for interviews. Once a candidate is selected, we'll do a background check and make a tentative offer, pending results of a physical and drug test.
